COVID-19 POOL PROCEDURES

Phase 3 - Pool Policy

For re-opening Lancaster Parks & Recreation Health & Fitness Center pool.

POOL Hrs: M-TH 7:00a—11:00a and 1:00p—7:00p
Closed Daily 11:00a—1:00p for deep clean
F 7:00a—11:00a and 1:00p—5:00p (last class 4:00p)

Office Hrs: 8:00a—11:00p and 1:00p—5:00p
Closed Daily 11:00a—1:00p

Open Pool only in 45 minute increments leaving 15 minutes for transition from one group to the next. Please read the procedures on the following pages carefully. Do not arrive more than 15 minutes early for an open pool slot.

WEAR A MASK when entering and exiting the building, doing business at the office or any other Olivedale activity. (See office hours on previous page)

If you are **feeling sick**, have a temperature, or any COVID-19 symptoms, please do not enter the building.

Please **STOP** at the **Sanitizing Station** and sanitize your hands when entering and exiting the building. Frequent washing of hands with soap and water for 20 seconds can reduce the spread of any respiratory illness.

Pool Check In:

All sign-in's will be done upstairs by the Front Entrance. Use a pencil to write your **name** and **time in**. When you leave for the day, please stop back to document a **sign-out time**. This will allow us the information required to contact trace if someone tests positive with COVID-19. Money transactions and paperwork will only be conducted during office hours. Contact the office to perform over the phone money transactions. Make sure your **annual Health & Fitness paperwork is up-to-date prior to coming for open pool**.

If **SilverSneakers®**, record your visit on the tablet next to the sign-in sheet like normal. **ONLY** place your name on the sheet below the SilverSneakers sign if you forget your card.

Renew Active or Silver & Fit, mark the date you were here on the appropriate sheet.

Reservations are required for a 45 minute time slot

by contacting the office (740-687-6655) during office hours. Each pool time is limited to **5** members 6' apart. Members should not arrive for their scheduled slot more than 15 minutes early. If you arrive more than 5 minutes till the hour, please proceed to the downstairs waiting/staging area and take a seat in the 5 chairs available. There is 15 minutes allowed for transition of members getting in and out of the pool. Waiting members may proceed to the pool area at 5 minutes to the hour. All people in the pool will exit at 15 minutes before the hour.

Everyone will **ENTER** through the **back-hallway door** to the pool area. To **EXIT**, use the **locker room doors**. Everyone should wear a mask into the building and keep it on until ready to enter the water.

No Locker Rooms, shower or changing access due to unrealistic and unattainable Health Department guidelines with limited staff to sanitize and maintain social distance to prevent the spread of COVID-19. **Therefore, please come dressed to get in the water**. Understand that when leaving the facility, towel dry as much as possible and wear shoes so the floor does not become slippery for others.

For a limited time, passes are \$10 per month and are good for the equipment room, limited class offerings and open pool.

Be **KIND** and **COURTEOUS** to all members and staff while we get used to this new normal.

Thank you
